Top Skills

Java
Python
React.js

Certifications

Cambridge FCE
TOEFL iBT (113)
Concepts and Fundamentals:
Algorithms, Object-Oriented
Programming with Swift,
JavaScript and RESTful APIs
Red Hat System
Administration I
CS50 Certificate

Honors & Awards

Academic Excellence Award
Best Interdisciplinary Project

Publications

On the Identification of
Self-Admitted Technical Debt
with Large Language Models

Pedro Lambert

Software Engineer Intern @ Infoblox | Software Engineering
Student (PUC Minas) | Java, React, TypeScript, Spring Boot,
Python

Belo Horizonte, Minas Gerais, Brazil

Summary

Full-stack professional with experience in .NET and React.ts.
Researcher and student recognized by PUC Minas for
academic excellence. Passionate about Software Engineering
and technology, always seeking opportunities to apply and
expand my knowledge in the industry.

Experience

Infoblox

Software Engineering Intern
April 2026 - Present (4 months)

PUC Minas

Introduction to Algorithms Teaching Assistant
February 2026 - April 2026 (3 months)
Belo Horizonte, Minas Gerais, Brazil

dti digital

Full-Stack Web Development Intern
September 2024 - August 2025 (1 year)
Belo Horizonte, Minas Gerais, Brazil

PUC Minas

Scientific Researcher
February 2024 - August 2025 (1 year 7 months)
Belo Horizonte, Minas Gerais, Brazil

Undergraduate Research Project supported by the PUC Minas Research
Incentive Fund, focused on the evaluation of self-admitted technical
debt.

Paper published at the Brazilian Symposium on Software Engineering
(2024), "On the Identification of Self-Admitted Technical Debt with
Large Language Models".

PUC Minas

5 months

Calculus I Teaching Assistant

August 2023 - December 2023 (5 months)

Belo Horizonte, Minas Gerais, Brazil

Algorithms and Data Structures Teaching Assistant

August 2023 - December 2023 (5 months)

Belo Horizonte, Minas Gerais, Brazil

Education

PUC Minas

Bachelor of Engineering, Software Engineering · (January 2023 - December 2027)

OTH Regensburg

Computer Science · (September 2025 - February 2026)

Colégio Santo Agostinho

High School, General Studies · (January 2011 - December 2022)
